## NEW CENTENARY KIT

### Introducing our new centenary playing kit for 2024!!

This uniform is to be worn by our 1st & 2nd division teams, designed by the current players, and inspired by uniforms throughout our club's history.

Earlier in the week we caught up with our President Chris Webster to get his thoughts on the new uniforms and their significance to the club - "Our centenary year is a great time to reflect on the past and the tapestry of stories that make our club what it is today. The 90s was a great decade of success for us with premierships in 1990 (Women), 1992 & 1993 (Men), 1994 (Women) and 1995 (Men). As a kid I remember the iconic yellow numbers, the distinctive green and blues and the characters that were part of those teams.

What better way to add to the centenary festivities than by bringing back an iconic strip for a new generation."

We can't wait to see our top squad players wearing the new kit when the season kicks off at home this Sunday!!
