SOAKS WOMEN: PURPLE BRA DAY

Round 14 saw the introduction of the Purple Bra Round in support of Breast Cancer Care Week. Whilst initially focusing on the Midweek Masters Competition, Uni Associates Women decided to stretch it to include the weekend fixtures in support of this important cause. Our UWAHC Premier League Team also got on board and wore their purple bras in the warm-up running out onto the field through a guard of honour in purple and pink. It was great to see so many people contribute to this fundraising event with the UWAHC and Uni Associates raising \$2,000.00 - AMAZING; and the total for Hockey WA Purple Bra Round being \$4,592.00 so far!

A big thank you to everyone that made a donation and a special shout out to Soaks Members Sally Dare, Sally McGilvray and their team mates who helped pull all this together. A job well done!

Michele Clement

President, University Associates Women's Hockey Club
