

Welcome to the 2024 Season

There's a lot to be excited about as the 2024 season approaches!

First and foremost, UWA Hockey Club is celebrating our Centenary year, so keep an eye out for plenty of opportunities to celebrate.

Founded in 1924, we are now one of the biggest hockey clubs in WA thanks to the members and volunteers, past and present. We've achieved outstanding success on and off the field over the last 100 years and currently have seven past and present Australian representatives playing for the Club.

If you don't already, follow us on social media, where we'll be sharing event announcements, photos from the archives and Centenary merchandise available to purchase.

You can find us on Facebook: @University of Western Australia Hockey Club or Instagram: @uwahockey.

A couple of dates for your diary:

- Centenary Club Weekend: 14th, 15th and 16th June
- Centenary Gala: 14th June

Registrations are Open!

2024 Junior Registrations for Years 1-12 and Senior Registrations are now open. Thanks to those who have already registered.

If you haven't had a chance yet, register here: [Registration - University of WA Hockey Club \(uwahockey.org.au\)](http://uwahockey.org.au)

New Turf

While you have hopefully all been enjoying some down time over the summer break, the Club has been a hive of activity.

We can't wait to host you on our newly laid AstroTurf. Our changerooms are also undergoing a makeover which should be finished in time for the start of the new season.

Call for sponsors

A big thanks again to the sponsors that continue to support our Club. Our sponsors help us to provide high quality facilities and infrastructure, activities that enhance our Club's culture and coaching programs for members.

If you're interested in supporting the Club or would like to explore the range of partnership opportunities available, please contact General Manager David Albrecht: gm@uwahockey.org.au

100 Club

A reminder that we are seeking donors to our One Hundred Club initiative, a Future Fund to keep us at the forefront of hockey in Western Australia for many years to come:

<https://asf.org.au/projects/university-of-western-australia-hockey-club>

Launched in October, we've already raised more than \$33,000 through the generosity of our supporters. Thank you!

We are seeking donations of at least \$1,000 to the Fund, to supplement the \$100,000 contribution made by the Club to establish the Fund. Donations will be tax deductible if directed through the Australian Sports Foundation (ASF).

2023 Yearbooks

Be sure to have a read of the junior and senior yearbooks now available on the Club website, or available to download here:

Junior yearbook: [2023 UWA Hockey Junior Year Book.pdf - Google Drive](#)

Senior yearbook: <https://www.uwahockey.org.au/seniors/seniors-yearbooks>

A lot of work goes into pulling these together and we extend our gratitude to David Miller and Claire Webster, who did a lot of the heavy lifting.

UHC Number Plates

The Club is looking at feasibility of issuing a further set of UHC number plates but it appears that we need a minimum order of 30.

The cost would be approximately \$400 - \$500 plus transfer registration fee for a new plate. The club logo on the number plates will be updated to the new logo instead of the previous 80 year celebration logo. Existing UHC plate holders would be able to upgrade their plates to include the new logo at a cost of approximately \$200.

If you are interested in either a new plate or updating your existing plate, please contact General Manager David Albrecht: gm@uwahockey.org.au so we can ascertain if we have enough interest to proceed.

Busy Bee

The Club will have a busy bee on Sunday 24 March from 10.30am to conduct a general clean up of the facilities in time for the 2024 season. We would appreciate assistance from as many members as possible.

On behalf of the Board, we wish you a fantastic season in 2024.

Chris Webster – on behalf of the Board
