

Junior Newsletter

<http://uwahockey.org.au/juniors/home/>

We hope that you have all enjoyed the holiday break. We know that many of you have continued your hockey by playing in the Club Championships, attending Hockey WA Pathway clinics or attending club training during the holidays. It is now time to turn our attention back to the second half of the domestic season. Most teams will resume training this week. There may be the odd exception to the rule, but your Age Groups Coordinators will ensure that you are informed.

UWA Hockey Club have four athletes heading for Rio and we are giving them a club send off this Wednesday night at the clubrooms.

Stay after training or come down especially to formally wish them the best of luck in their Olympic campaigns. We would love to see as many juniors and parents down there!

CODE OF CONDUCT

As a club, we would like to continue to emphasise the importance of the conduct of our players and parents. We would like UWA Junior hockey players and their supporters to set the standard for the domestic competition.

Club Championships

An absolutely brilliant effort by all of our teams at this tournament during the holidays. To our parents who have coached, taken on the role of manager and even umpired - we thank you.

Our J7/8 A boys teams toughed it out for some excellent results. The J7/8A Boys team played off in the finals v Wolves for a 0-0 draw. They finished second on countback! Our J7/8 B boys finished 6th in a tough 11 team, country dominated competition. Great effort boys. The J7/8A Girls team played many a close game and finished 8th in a tight competition. Our J9/10 Girls again played some tough games to finish 7th. Given that all of our teams are composite teams and they all played tough country competition, we would like to congratulate all of our players.
